

Brian S. Cavey

Brian S. Cavey is the Joint Apprenticeship and Training Program Director for the International Association of Heat and Frost Insulators & Allied Workers, Local 24 in Laurel, Maryland. Brian graduated from the National Labor College with a Bachelor of Arts as a double major with degrees in Labor Education and Occupational Safety and Health. Brian is a certified OSHA Master Instructor, a certified Insulation Energy Appraiser, an approved Fire Stop and Smoke Seal Trainer and director of the program's MDE approved asbestos training program.

Brian is a graduate of Local 24's Apprenticeship Program and worked as an Apprentice, Journeyman, and Foreman. Brian was elected as Vice President of Local 24 in 2001 and President in 2003. Brian is a member of the Baltimore Building and Construction Trades Training Council, Chairman of the Washington Area Apprenticeship and Training Directors Association, has been appointed to the AFL-CIO / Washington DC Public Schools Labor Initiative Working Group, and was appointed to the Anne Arundel County Workforce Investment Board and serves as the Youth Council Chairman.

Brian supervises the instruction of 75 -125 apprentices and trainees each year and additional skill upgrade training and Safety and Health training for Local 24. Brian was appointed to the International Steering Committee to advance the success of the annual Insulation Apprenticeship Conference held in the United States and Canada, and assisted in the successful negotiation of four Collective Bargaining Agreements with the Insulation Contractors Association of Washington, DC.
