

John Anania

PROJECT EXECUTIVE | 26 YEARS EXPERIENCE

John has more than 26 years experience in the building industry. Serving primarily the Maryland construction market, John has been involved in the preconstruction and construction of the higher education and corporate markets as well as accumulating significant experience with healthcare renovation and expansion programs. As project executive, John's responsibilities include project development and executive oversight as well as client and subcontractor relations. John joined DPR Construction over three years ago and was responsible for establishing the Baltimore office for the technical building firm. Prior to joining DPR, John served as Senior Vice President for the Bethesda office of Bovis Lend Lease. Concurrent with work responsibilities, John has served and led several committees related to building trades apprenticeship training along with serving on the Board of Directors of the Baltimore Chapter of the Associated Builders and Contractors. John, and wife Catherine Satterfield, reside in Ellicott City, Maryland with their two sons.
